A LETTER OF SUPPORT

for

Durand Gerald Joseph and Hurlley-Durand Sharon

28 February, 2021

To whom it may concern:

On behalf of 19 teachers and 120 students from the cities of Goryachiy Klyuch and Anapa in the Krasnodar Region, I, Alexander Semernya, am writing this Letter of Support to the Russian Embassy in the United States. We request assistance in issuing three-year Work Visas to Durand Gerald Joseph and Hurlley-Durand Sharon.

We have been having a fruitful cooperation with these individuals since their visit to Russia in December 2018, where they volunteered to run our first seminar and workshop in Goryachiy Klyuch. This seminar and workshop was organized by the Pyramid Club. The topic was business and entrepreneurship, with emphasis on new tendencies in socially oriented family business. We plan to continue cooperation with Mr. and Mrs. Durand in teaching rural and urban schoolchildren useful skills in the fields of computer technology and 3D modeling. There is a great need of such courses in the rural districts of the Krasnodar Region.

The Pyramid Club, established and owned by Nadezda Stepanova, is a division of her Private Enterprise. I have been a member of the Club since 1999, wherein I manage Summer Programs for teenagers and organize useful leisure activities. The Club has accumulated a lot of experience in participating in International Community Projects.

Here is a link where you can access materials about the main Community Projects and Director of the Pyramid Club: <https://pyramidhope.ru/>

We appreciate any help you can provide.

With respect,

Aleksander Semernya
